Sir:

I, Christof Maron, an added inventor in the above identified application, hereby declare that my omission as a named co-inventor occurred through error without any deceptive intent on my part. In PCT Application No. PCT/EP03/08303, I was inadvertently identified as an applicant, as indicated on the enclosed first page of corresponding PCT Publication No. WO2004/022394A1, but not as an inventor with respect to the United States.

I hereby declare that all statements made herein are of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the above-identified application or any patent issued thereon.

Respectfully submitted,

Christof Maron

SIR :

I, WERNER KINZE represent that I am GENERAL COUNSEL
of Continental Teves AG & Co. OHG (Continental Teves) Guerickestrasse 7,
60488 Frankfurt, Germany; that I am authorized to act on behalf of Continental
Teves; that Continental Teves is the owner by assignment of all right, title, and
interest in and to the subject application via assignment enclosed; and that
neither the subject application nor the subject invention have been assigned to
any other entity. Thus, the extent of Continental Teves' interest is in the whole
of the subject invention.

Pursuant to 37 C.F.R. §1.497(d) and as a duly authorized representative
of Continental Teves, I hereby give the consent of Continental Teves, as assignee
of the above-identified application, to the change of inventorship in the above-
identified application from Georg Roll to Georg Roll and Christof Maron as joint
inventors.

Respectfully submitted,

and all the rights and privileges under any and all Letters Patent that may be granted therefor.

We request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

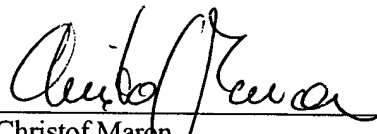

We authorize and empower said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be

Attorney Docket No.: P 10500/DU/be

We covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.

Signed at Frankfurt (L.S.) this 08th day of February 2005.
